INDEX

C = Correspondence *R* = Review

PAGE

A

Acid base balance, effect of trichloroethylene-nitrous oxide anaesthesia on.....797

Acta de l'Institute d'Anesthésiologie, Tome X (1961) ..... (*R*)480

Activity, morphine-like, chemical features of..260

Aids, two teaching 827

Anaesthesia:

And the law .....(*R*)212

Awareness during .....(*C*)348, (*C*)418

Epidural .....(*C*)418

For Caesarean section 179

For the injured .....(*R*)587

For vagotomy 464

General in complete heart block 102

Histamine in 397

Hypotensive .....(*C*)178

In obstetrics .....(*C*)829

Introduction to .....(*R*)573, (*R*)711

In underdeveloped countries 897

Metabolic effects of .....(*R*)594

Paediatric Fellowship in 513

Sequelae, minor, of 44

Surface convulsions 61

Trends in .....(*R*)394

Anaesthetic compounds, structural form of ..... (*R*)416

Anaesthetic machine for closed circuit 410

PAGE

Analgesia and anaesthesia in obstetrics ...(*R*)602

Analgesia, local, for traditional surgery ...(*R*)905

Anesthesiology, current concepts of appraisal of .....(*R*)246

Antanalgesia .....(*C*)178

Apnoea:

After intramuscular suxamethonium...(*C*)592

After suxamethonium .....(*C*)499

Following methohexitone and thiopentone 729

Prolonged following vertebral angiography 119

Arm splint .....(*C*)499, (*C*)750

Awareness during anaesthesia .....(*C*)418

B

Ballistocardiographic experiments 696

Barbiturates 200

Barnet respirator, sterilization of 121

Barnet ventilator, modification of (*C*)917, (*C*)918

Beadles, porters and attendants 489

Block, extradural, in major surgery of the hip 107

Blocking agents, neuromuscular 251

Blood:

Loss, measurement of.....653

pH/plasma catecholamine relationships:

Respiratory acidosis 672

Non-respiratory acidosis 682

Blood: PAGE
Pressure, a method of recording 136
Measurement of 646
Rheology in deep hypothermia.....849
Bradycardia, prevention of reflex, in ophthalmic surgery 451
Bronchography, under general anaesthesia...200
Bronchopleural fistula, anaesthetic technique for 817
Bronchoscopy, unusual complication of 345
Buffering in man: the dynamics of 66

C

Caesarean section, muscle pains following the use of suxamethonium 476
Cardia, human, observations on at operation 875
Cardiac arrest:
Hyperbaric oxygen in 738
Successfully treated 210
Cardiac catheterization and the anaesthetist...269
Cardiac massage, studies on external 566, (C)828
Cardiac output, measurement of.....637
Chemistry and physics of anaesthesia ...(R)308
Chromatography, gas, as a method for estimation of volatile anaesthetics in blood 440
Cilia, ciliated epithelium and ciliary activity (R)557
Cleft-palate surgery, reduction of haemorrhage in 481
Cyclizine, effect on somatic pain 287

D

Deadspace, physiological, during I.P.P.R....502
Deaths in family under anaesthetic 395
Deaths, reporting of those associated with anaesthesia in Scotland 124
Dogs and cats, undesirable effects of vanillic acid and diethylamide in 509

PAGE
Drugs:
Histopathologic effects of local anaesthetic .....(R)118
In anaesthesia .....(R)444
Medicines and man .....(R)276

E

Electric potentials in muscle and nerve 657
Electroencephalogram in anaesthesia 890
Electroencephalography, clinical .....(R)450
Electronics, medical, fundamentals of...596, 906
Embolism, pulmonary, as a cause of cardiovascular collapse 913
Emergency resuscitation .....(R)276
Endobronchial tubes, low resistance double-lumen 576
Epidural space, spread of analgesia in 161
Ether, used to produce insensibility in 1821...588
Expiratory resistance, dead weight 290

F

Fluotec vaporizer, pressurizing valve for 741

G

G.29.505:
Comparison with thiopentone and methohexitone 558
Intravenous anaesthesia with 379
Pharmacology of 368
Gas analysis, physical methods of 631

H

Halothane .....(R)268, (R)896
Halothane:
Anaesthesia for newborn animals 776
Effects of on the peripheral circulation in man 2

PAGE

Halothane:
In obstetrics ....386, (C)915
Intermittent injections of 733
Metabolic acidosis with case report 57
Place of in obstetrics 386
The rate of uptake of in man 11
Halothane and ether, actions of in bled dogs 764, 832
Hand:
Vascular distensibility, effect of trimetaphan on 857
Vascular distensibility of, effect of adrenaline, noradrenaline and hypertensin in...350
Vascular distensibility of under thiopentone 19, 74
Heat losses in infants during surgery in air-conditioned theatres 543
Histamine in anaesthesia 397
Hyperventilation and cerebral damage (C)670, (C)828
Hyperventilation, central nervous system effects of during anaesthesia 296
Hyperventilation for crushed chest 471
Hypothermia, safe period of 294

I

Iatrogenic collapse in sulphaemoglobinaemia 343
Induction agents, clinical studies of 90, 790, 869
Inhalation agents, effect on somatic pain ...158
Inhaled particles and vapours ....(R)390
Intragastric pressure, changes in following suxamethonium 363
Intravenous infusions, colouring of ....(C)178
Intubation, nasal obstructions in ...(C)420, 115
IPPR, subatmospheric pressure in 746

PAGE

L

Lung compliance during IPPR 153, 690

M

Measurements, integration of, during cardiac bypass and profound hypothermia 660
Measurements of:
Blood CO_2 tension, rebreathing methods for 617
,, loss 653
,, oxygen tension 621
,, pH and Pco_2 611
,, pressure 646
Cardiac output 637
Electric potential in muscle and nerve...657
Mesenteric infarction during hypothermia ...825
Metabolic acidosis with halothane 57
Methaemoglobinaemia and anaesthesia 309
Methohexitone for Caesarean section 316
Minnitt, Dr. R. J., resignation of 140
Morphine-like activity, chemical features ...260
Morphine with tetrahydroaminacrine for postoperative pain 95
Muscle pains following suxamethonium 476, (C)750
Myocardial function during anaesthesia 884
Myotonia, generalized following suxamethonium 340

N

Narconumal and Narcodorm 391
Narkose, Moderne. Theorie und Praxis der Routine-verfahren ....(R)475
Neonatal anaesthesia, d-tubocurarine in 721
Nerve blocking, fundamentals of ....(R)23

PAGE

Neuromuscular transmission, influence of ganglionic blocking agents on 357

N_2O anaesthesia, measurement of gaseous exchange in 752

O

Organic structure, relation to anaesthesia...214

Oxygen:

Hyperbaric in cardiac arrest 738

Measurement of tension in blood 621

Oxytocin, effects of in animals 306

P

Pain:

Postoperative. Morphine with tetrahydroaminacrine in 95

Somatic. Effect of atropine on 712

„ „ cyclizine on 287

„ „ hyperventilation and catechol amines on 24

„ „ inhalation agents on ...158

„ „ "lytic cocktail" on 717

Phenazocine, adjunct to anaesthesia 336

And respiratory depression 593

With N_2O anaesthesia 571

Phenothiazines 247

pH and Pco_2 measurements in blood 611

pH of blood. Electrometric determination of...31

Pig, anaesthesia for irradiated 327

Pin index system .....(*C*)591, (*C*)690

Practical electroencephalography for the anesthesiologist .....(*R*)912

Premedicant drugs, pre-operative assessment of 458

Assessment of influence on anaesthesia ...523

Premedicant drugs: PAGE

Method of studying effects on postoperative vomiting 527

Premedication for adenotonsillectomy.....813

Oral in children 80

Premeditation on Premedication .....(*C*)347

Procaine, dosage with gallamine 707

Pulmonary function, assessment of 603

Pump, respiration 149

R

Rebreathing methods for measurement of CO_2 blood tension 617

Recurarization, prevention of 195

Reprints .....(*C*)420

Respiration, initiation of, after anaesthesia...785

Respiration, IPPR observations on mechanical work of 433

Respiratory depression and phenazocine (*C*)670

Respiratory function, exploration of .....(*R*)745

Respiratory irritation, effect of anaesthesia on response to.....804

Respirometer and ventigrator, accuracy of...422

S

Science and Health .....(*R*)602

Serum, jaundiced, effect of on relaxants 863

Störungen des Gasaustausches in der Lunge (*R*)118

Structure:

Chemical, of local anaesthetics 229

Relation between chemical and pharmacological action 224

Suxamethonium:

Action on circulation 445

"Extension" by tetrahydroaminacrine 536

Suxamethonium: PAGE
In absence of pseudocholinesterase 207
Prevention of muscle pains after 332

T

Teaching and practice of anaesthesia in U.S. 580
Tension *versus* concentration .....(C)593
Tetanus, severe case of 49
Thiopentone, comparison of, with methohexitone for Caesarean section.....316
Traite de Technique Chirurgicale .....(R)367
Trichloroethylene, concentration in blood during anaesthesia 141
Trimethobenzamide, effect on somatic pain...287
Tube, the White double lumen 822

PAGE

V

Vagotomy, anaesthesia for 464
Vanillic acid diethylamide in dogs and cats...509
Vaporizer, variation in Boyle calibrated for halothane 39
Venous pressure, transmural central during IPPR 278
Ventilation, automatic in infants and children 514, (C)917, (C)918
Ventilator, East-Radcliffe 203
Veterinary Anaesthesia and Analgesia...(R)565

W

White double lumen tube 822
